

Friends of New Christ Church Summer Fun Night

Dear Parents,

This year's Summer Fun Night will be Wednesday 30th June from 3.30 until 6 pm. We're hoping it will be a really enjoyable evening as well as raising valuable funds for our school. We've already booked a steel band and a bouncy castle. There will be a barbecue, hopefully lots of cakes as usual, plus games and stalls including plants, books, toys, tombola and a treasure island.

For the evening to be a success we really need your help with donations and the very, very important gift of your time for setting up, clearing away or running a stall for some of the evening itself. We'd also be very grateful for volunteers for the ever popular henna hands, nail art or face painting. If you can help out on the evening, please fill in the form below or speak to one of the Friends' committee.

In this year's raffle we'd like to include a hamper or two of delicious foods, so if you could donate a suitable item for this, that would be great. We'd also really appreciate donations for the following stalls – a good opportunity to clear out some things your child(ren) have outgrown or no longer use:

- toys
- books
- bric a brac
- bottles for tombola (eg bubble bath, hand cream, drinks)
- plants

Nearer the time we'll be sending out paper plates with our usual request for cakes – thank you for your generous support for this. Please also make sure you tell your friends and family about the fun night. If you could display a poster advertising it, please let us know on the form below.

We'd also like to produce a recipe book which reflects our school's wide range of traditions. So, if you have a favourite family recipe please send it in to school for this as soon as possible and it might be on sale in time for the summer fun night.

We'd also like to thank all of you who donated cakes and uniform yesterday, the sale was very successful and made a fantastic **£92.95!**

Thank you for your support,
Friends of New Christ Church
