## Newsletter 1th December 2009

### This term at NCC...

Staff have been absolutely blown away by the incredible support and friendship which parents have shown towards us during this term, particularly in the run up to Christmas—we have never seen so many parents come along to a Christingle Service as yesterday. Many of you have commented extremely positively about the school and how well your child is doing; we've all received some lovely Christmas gifts and are really touched by your generosity.

We are deeply grateful for this support and never take it for granted; it's

wonderful that a true partnership exists at NCC with all of us working together for the benefit of all children —thank you!

In the past term, your children have made great progress in their learning. What is really gratifying is to know that they are **enjoying** learning—just this week a child was overheard to be complaining...because she didn't want to be away from school and her learning for 2 weeks! You have shown incredible support by helping with homework, meeting with teachers, supporting school visits and so much more!

All staff have worked incredibly hard this term, making improvements in all the ways I've asked and have really 'upped their game'. Their commitment to your children is unquestionable; they are truly the finest group of professionals I have ever worked with.

All in all, this has been a tremendous term and I count myself as blessed and privileged to work in such an amazing school. Thank you to every one of you!

This week has been magical and I know the whole school is really looking

forward to Christmas. I hope you all have a peaceful and joyous time together with your families,

With love and best wishes to you all,

Maria Soulsby
