

New Christ Church Primary School Newsletter 21st May, 2010

This week at NCC...

Thank you to all of you who have let us have email addresses so we can start to reduce the amount of paper and photocopying we are doing. From September, paper copies of the newsletter will only be made upon request—so far only 2 families have asked to continue receiving paper copies; if you will need a newsletter in September, you must let us know!

This week Y3, 4 and 5 children have been taking their end of year tests; teachers will be marking these tests and using the results to make assessments of the progress your children have made. These assessments will be reported to you later in Term 6. Younger children will also be assessed but in slightly different ways, appropriate to their age.

Next week is the last week of Term 5—for some reason, this term has felt really tough and long, maybe it's the fact the weather can't make up its mind what it wants to do! Your children, of course, keep us all going with their wonderful enthusiasm, energy and love—true stars!

Wishing you all very happy and peaceful weekends,

Maria Soulsby

Allotments

Thank you to those of you who came along to the Allotments Open Morning last week—there's another session tomorrow from 10.00am and it will be great to see you all again!

Walk to School Week

Thank you for all your support in walking to school this week—there were far fewer cars outside school which was just fantastic to see! The class which won the challenge was Violet Class. They win an afternoon of badgemaking activities!

Sponsored Spellings...

Your children raised **£306** for Project India—well done to everyone and thank you for your support.

Abi won the prize for collecting the most sponsors—well done Abi!

HALF TERM- 31st May- 7th June

**Children return to school
on 8th June**
