

**New Christ Church Primary School  
Equal Opportunities Policy Statement**

In our school, we make sure we treat each other fairly by:

- ✓ Not noticing people on the outside but valuing what is in their heart
- ✓ We make sure everyone takes part in every activity
- ✓ The school makes changes according to people's needs
- ✓ We celebrate everybody's festivals to show we care and respect all religions
- ✓ We make sure boys and girls take part in everything together
- ✓ Our school is a fair school
